

TO WHOM IT MAY CONCERN

**Construction Industry Sub Contractor Tax Deduction Scheme – CIS5.**

On occasions GDS have received requests for the above certificate. For your records the scheme does not apply to our type of business which is the manufacture, supply and calibration of electronic portable and fixed gas monitors.

Reference to this may be made to the Inland Revenue document IR1415 section 39.

Should you require any further clarification regarding this matter then contact either myself or our tax office without delay at: -
